# 49 years for our remarkable COO

Issue #7

Gareth Jackson

Marlee van der Lingen

## Happy Birthday Mr. Jackson

Gareth's birthday was this past Saturday the 10<sup>th</sup> of February. We had the privilege of hosting a small get-together for him on Friday to celebrate his birthday at work and it was a blast. The staff here at Jewll love working with and around Gareth. His energy, way of thinking, and how he comes up with many new ideas inspire us at Jewll. Gareth, we wish you nothing but success here at Jewll as well as in life in general. Keep shining, keep working hard, and keep pushing through. Your appreciation and care for the staff at Jewll as well as for your partners is something that doesn't go unnoticed, we appreciate your attention to many small details we think you may not notice. We cannot wait to see what this year holds for us with you leading us through the fabrication side of the business. We hope your birthday was GOLDEN.
